The last ten or twelve years of my life, passed among sordid speculators in the United States, and political adventurers in Spain, has shewn me so much of the dark side of human nature, that I begin to have painful doubts of my fellow man; and look back with regret to the confiding period of my literary career, when, poor as a rat, but rich in dreams, I beheld the world through the medium of my imagination and was apt to believe men as good as I wished them to be. Soon enough I saw people I knew and it became a little easier to socialize. There will be clearly signed diversion routes in place to help you get to your destination.
